Happy Easter from
the Town of
Carman Council
and Staff!

UPCOMING NEW SOLID WASTE MANAGEMENT PROGRAM STARTING APRIL 1, 2021

The new Solid Waste Management Program is set to roll out on April 1, 2021. MWM Environmental delivered the carts to residents mid-March with an information package and pickup information.

REMINDER – Current Bag tags will no longer be required effective April 1, 2021. Garbage will be placed in your cart without a tag. Tags will be accepted at the Carman Transfer Station until **April 30th ONLY**. If you purchased tags in 2020, they can be returned to the town office with the receipt for reimbursement.

Assist Program

The cart MWM Environmental will provide for curbside service is large enough to hold up to 100 kg of material at a time. To ensure that everyone has easy access to the service, regardless of physical capability, MWM employees will roll the cart to the curb and back to the house for any residents unable to do so themselves, primarily the elderly and infirm. To register for this service, please call the Town of Carman office at 204-745-2443 or email info@townofcarman.com.

Recycling Program

Your list of items accepted for recycling remains the same – newspaper, paper, tin cans, drink cans and bottles, plastic milk jugs and margarine containers, cardboard to mention a few. For the complete list, please review on the Town of Carman's website. Please remember to rinse all recycling before placing in your cart. There is no need to place recycling in a plastic bag, just throw the individual items in your recycling cart.

Recycling Depot and Transfer Station

The Recycling Depots will continue to operate as in the past – one by the town shop and the other at Carman Transfer Station. It will look a little different because of the new collection system. There is a possibility the one at the town shop will need to be relocated to allow access to the new bin system. Carman Transfer Station will continue to accept all items – waste, compost recycling, branches, glass, eco-waste. The current hours of operation will be maintained – **Monday, Wednesday, Friday – 1 to 4 p.m.; Saturday – 11 a.m. to 4 p.m. Closed – Tuesday and Thursday. Bag tags will only be accepted to April 30, 2021.**

Zone 1 – All houses North of the river will be **ZONE 1**, the cut off for these houses on 2nd St SW, 1st St SW and PTH 13 will be the bridge.

Zone 2 – All houses to the South of the river will be **ZONE 2**.

Zone 2

Carman Dufferin Pool and Campground

Registration dates:

**To be determined
based on Public
Health Orders.**

Watch our social media pages for
updates. Thank you for your
patience.

A building permit is required for the construction of any new projects over 120 square feet. This includes but is not limited to new homes, garages, house additions, decks, and sheds. A permit is also required for any building renovations with structural changes or a value over \$20,000. This includes residential or commercial buildings. A demolition permit is required for the demolition of any building, structure, or part thereof. A Moving Permit is required if you are relocating any structure. Please allow for up to two weeks for the processing of the permit. For any building related questions, please contact Kim MacLellan at: 204-745-2443 or planning@townofcarman.com

Our quarterly water bills come out the last day of the following months: **March, June, September & December.** If you do not receive your bill after a weeks' time, please contact the town office @ 204-745-2443 or email Tammy at tammy@townofcarman.com
